

*The World's Highest Standards In Railroad Wheel Sets*

## **FROM ROUTE 22 TRAVELING WEST**

1. Take Route 22 through the newly constructed Y-intersection with Route 453 in Water Street. (Water Street is not much more than this intersection and a very small sign that is easily missed. For reference, Water Street is about 9 miles west of Huntingdon.)
2. Get on 453 West toward Tyrone.
3. Go 11 miles on 453 to its intersection with Route I-99.
4. Get on I-99 South.
5. Take the first exit, Exit 43 (Tipton-Grazierville.)
6. Head down the ramp, over the annoying rumble strips, to the stop sign, and turn right.
7. Go down the hill to the flashing red light and turn left.
8. Go about two miles to a traffic light at River Road where you will turn right. You cannot turn left at this light. (This is just after you pass a small amusement park (Delgrosso's Amusement Park) with its water slides, overhead walkway, and little roller coaster.)
9. Follow River Road for 3/10 of a mile to the Ardie J. Dillen Industrial Park.
10. Turn right into the park and go straight ahead to ORX.

If you need any help along the way, just give us a call, **814-684-8484**.
